Communication / Project Coordination / Digital Literacy / Audience Engagement

Thoughtful communication and cultural production professional connecting digital literacy, public engagement, audience research and event coordination. Bridges festival logistics and audience insight, juggling operations, content, research and education. Specialty: keeping cultural events running clearly and building meaningful connections with audiences.

RELEVANT EXPERIENCE

Freelance Production & Event Coordination

2023-present

Cultural festivals, exhibitions and public programmes

- Coordinate volunteers, event operations, production support and audience-facing communication for e.a. NFF, IDFA, IFFR, SPRING, ITGWO, Inscience, Paradiso, Brainwash...
- Help teams keep cultural events running clearly and calmly through logistics, briefings, visitor flow and on-site communication in 1000+ attendee contexts.

Freelance Digital Literacy Educator & Workshop Facilitator

2024-present

AI literacy, media literacy and educational workshops for high school students

- Design and facilitate workshops on AI, algorithms, privacy and digital culture for high school students across the country.
- Translate complex digital topics into accessible classroom formats with exercises, discussion prompts and practical media literacy examples.

Muziekclub Democrazy - Communication & Audience Research

2023-2024

Communication, audience research and data analysis

- Analyzed 15 years of ticketing and audience data, including 10,000+ records, to identify attendance patterns and audience behaviour.
- Turned research findings into practical recommendations for programming, communication strategy and audience development.

Frisse Gedachtes - PR & Social Content

2021-2023

PR, concept development and social content

- Developed content, campaigns and community communication for a student mental-health platform.
- Supported social media planning, public messaging and audience growth across campaign and platform communication.

De Speld - Concept Development & Branded Content

2019-2021

Concept development, branded content and graduation research

- Developed branded content concepts and partner formats while balancing commercial goals with editorial tone and audience trust.
- Researched alternative approaches to commercial content within satire and translated findings into creative concept work.
